

PACT Annual General Meeting 2017

House Report

PACT House continues to be busy with families staying, going up during the day to cook and the monthly bereavement coffee mornings.

We have also continued with the refurbishment works, this year we painted the hall, stairs and landing areas and also changed the carpet, the old one had been there since 1997 so we thought it was about time! The new carpet has a more modern design but it fits in well with the style of the house and it definitely brightens it up. We are very grateful to Ponsford for getting us a great discount on the price of the carpet and doing an excellent job of fitting it, causing as little disruption as was possible.

Our thanks also go to our fantastic housekeeper Julie who looks after the house as though it were her own. She makes sure that everything is clean and tidy and welcoming for the families using the house and she is also a friendly face if the families need help or just someone to talk to. We are also very grateful to her for wrapping all the raffle prizes for the ball this year, which was a mammoth task and one that Beryl and Jill were glad not to do.
